

# Prayer Network Update

SEPTEMBER 2020

## Newfound Joy in Jesus

Alexa was sad and lonely as she grew up separated from her mom. When she was invited to an Operation Christmas Child outreach event, she heard the Gospel of Jesus Christ and experienced the great joy of receiving a gift-filled shoebox. She responded by receiving the Lord as her Savior and has been happier from that day forward! Hungry to know more about Jesus, Alexa today attends The Greatest Journey discipleship program and does not miss a lesson. She enjoys the time with other children and, above all, appreciates getting to know Jesus more.
